This is a pretty good time to begin that bank account and you can help it to grow if you will adopt gas as fuel. There's a lot of ease about a house where they use a gas stove.

ATTORNEY MILLS IS DISBARRED

SUPREME COURT RULES IN HIS CASE WITHOUT LEAVING THE BENCH.

At the close of the hearing of the H. T. Mills disbarment case yesterday afternoon, the Supreme Court gave a ruling, disbarring the respondent from practice in any of the courts of Hawaii. His license as a notary public was revoked some time ago, on account of the same matters which brought about the disbarment proceeding. The hearing yesterday was devoted to the defense, and after arguments by C. W. Ashford and Deputy Attorney General Prosser, the court, without leaving the bench, gave its ruling. The reasons for disbarment were as follows:

"That Mills' conduct as a whole indicated that he had shown a want of integrity and a lack of appreciation and a disregard of the obligations of his official duty and showed him unfit to act as an official of the courts and unworthy for public confidence. The specific facts leading up to the disbarment were about as follows:

"After obtaining signatures to a petition for a license for a Chinaman, he changed the name of the licensee without the knowledge and consent of some of the signers, as an attorney.

"As a notary public, Mills added a certificate of acknowledgment saying that all the signers acknowledged the instrument on July 1, 1905, and that they were all proven to him by one Kaimakule, who was sworn for that purpose. The fact was that some did not appear before Mills to acknowledge the instrument at all and some of those who had acknowledged it, did so on different days, and Kaimakule was not sworn to identify all of them."

Mills was an attorney of Kailua, Hawaii, and had considerable practice in Kona.

WHOOPIING COUGH.

This is a very dangerous disease unless properly treated. Statistics show that there are more deaths from it than from scarlet fever. All danger may be avoided, however, by giving Chamberlain's Cough Remedy. It liquefies the tough mucus, making it easier to expectorate, keeps the cough loose, and makes the paroxysms of coughing less frequent and less severe. It has been used in many epidemics of this disease with perfect success. For sale by all dealers, Benson, Smith & Co., agents for Hawaii.

WARM THANKS FROM FRASER

EXPRESSES HIS APPRECIATION OF REMUNERATION FOR HIS EARTHQUAKE SERVICES.

The following letter from E. A. Fraser, dated at the Hawaiian Immigration Board headquarters in New York, was received in the mail today:

"Hon. A. L. C. Atkinson, Honolulu, T. H.

"My Dear Sir:—I have received the kindest sort of a letter from Mr. Morgan relative to the Hawaiian Relief matter, and with it he incloses exchange to the amount of \$250. This is somewhat overwhelming and I am at a loss to know how to sufficiently thank the friends who may be responsible for such generosity. The work I did was simple, easy and nothing but a pleasure, and I hadn't the slightest thought of its calling for remuneration of any sort. That fact, perhaps, lends to its greater appreciation and valuation. You will have to allow me to consider the greater part of it as an advance payment in the future, and when the next shake comes you will find me on the spot doing business.

"With the kindest regards and the greatest appreciation, I remain, sincerely yours,

"E. A. FRASER."

GRAND JURY AND MESSAGES

THOUSANDS OF MESSAGES SENT BY MESSENGERS INSTEAD OF BY WIRE.

The following is the summary of the findings of the Grand Jury, as reported by the S. E. Examiner, which investigated the actions of the Western Union Telegraph Company after the recent fire in San Francisco.

"Thousands of telegrams were either mailed or sent by messenger instead of being transmitted by wire.

"The company left it to the Southern Pacific to repair broken wires instead of doing the work themselves.

"They attempted to 'come into the bread line' by mailing messages without stamps.

"They received at least \$1,000,000 for messages from all parts of the United States and Europe, but contributed nothing to the relief fund.

"They accepted messages for transmission by wire although they knew it was impossible to handle them."

UNLUCKY BIGAMY

The divorce case of H. C. Schmidt against Maria Theresa Schmidt was tried before Judge Lindsay yesterday and a divorce was very quickly granted to the plaintiff, on the ground of desertion. It appears from some of the testimony adduced that Mrs. Schmidt has committed bigamy since she left her husband, but that she had hard luck in the choice of another partner. She married the latter in California under an assumed name, Schmidt's affidavit says, and since then he has been convicted of bigamy, and she has gone East.

"I was Sick—Dizzy—Worn Out"

North Weymouth, Mass., Dec. 14.—"Paine's Celery Compound is the best and most effective medicine I have ever taken. I was sick, dizzy and worn out for a long time and unable to attend to business. My blood was in troublesome condition. I was advised to try Paine's Celery Compound, which I did with pleasing results, and in a short time I was able to return to my business. My blood is greatly benefited. I would advise all who are run down by overwork or who need a blood tonic to take Paine's Celery Compound. They will find that it will be a great benefit to them."—T.
